

APPLICATION FOR THE ECE HONORS IN MAJOR PROGRAM

Only students already admitted to the ECE Honors in Major Program are allowed to take any of the courses in the ECE Honors course sequence: ECE 633H, 647H, 791H, and 792H. To be admitted, a student must submit this form to the ECE Honors Coordinator and be approved. Normally students apply for the ECE Honors in Major program during the spring semester of their sophomore year. For students who are out of the normal course sequence, this is interpreted as meaning the semester before they intend to take the first ECE honors course. A student must have a current cumulative overall GPA of 3.4 in order to enter the program and, once admitted, the student must maintain a cumulative overall GPA of 3.4.
