MESSAGE FROM CEE

*We're so happy to be back to campus for some classes!
We're slowly getting there, although we're still in orange
mode, we're confident we'll be back to yellow soon!*

*Take care of yourselves & each other, keep in touch with
your friends (virtually if needed), take a walk around
campus or build a snowman!*

SPRING IS RIGHT AROUND THE CORNER!!!

*Take advantage of the many resources UNH offers -
<https://www.unh.edu/pacs/resources>
And remember your faculty and staff are here for you!*

Have a great week, CEE

IN THE SPOTLIGHT!

Dr. Jacobs featured in the NYTimes...

<https://www.nytimes.com/2021/02/20/climate/united-states-infrastructure-storms.html?action=click&module=Spotlight&pgtype=Homepage>

CEE Alum, Harrison Roakes, is awarded the 2021 NH Young Engineer of the Year by The American Council of Engineering Co. of NH (ACEC). Harrison was nominated for this prestigious award based on his engineering accomplishments and his impressive contributions to local and international communities.

PET SPOTLIGHT!

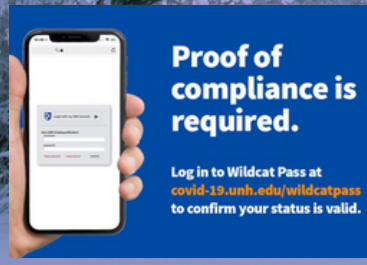

Bailey is almost a year old now. She is a very feisty & playful pup! She loves playing in the snow & taking naps with her snuggle puppy.

We'd love to meet your pets! Do you have news to share? Please email kristen.parenteau@unh.edu

Stay updated on COVID-19
