Seminars & Events  
In the Spotlight  
Pet Spotlight

**We want to give a Shout Out to all of our students who have been following UNH Covid protocols; testing, wearing your masks and social distancing. You're not only helping yourself, you're helping all of your UNH Community!**

*Thank  
you!*

## What are YOU Thankful For?

### MESSAGE FROM CEE

It's November, the month of Thanksgiving!

We have endured some difficult times these last few months that's for sure, however, we always have so much to be thankful for!!!

This month let us reflect on all that we are grateful for, starting with our families, our friends & loved ones.

We are thankful for you, our students!!!  
We wish you & all your families a very Happy Thanksgiving!

Stay healthy & well,

*Civil & Environmental Engineering Department*

*Email us and let us know what you are thankful for - we'll add to our next newsletter!*

# IN THE SPOTLIGHT! Our Future Engineers at Work!

## UNH Digs Deep Testing Wastewater for Early Warning Signs of COVID-19

DURHAM, N.H.— The University of New Hampshire has gone underground to flush out cases of the coronavirus by testing wastewater on campus. The...

Dr. Mouser and EnvE students perform water testing on campus for early warning signs of Covid. Click photo for full article

Pictured Right: Dr. Benoit's CEE 967 class performing in situ geotechnical testing this week at the site of the future nursing building in front of Gregg Hall.

## PET SPOTLIGHT

Meet Sailor, Dr. Kinner's beautiful 6 yr old Springer Spaniel! He started hanging out with UNH CEE folks when he was 10 weeks old. He loves retrieving, AM and PM walks with students and getting petted! He is not particularly good at doing mass balance problems, so he leaves that job to his mom!!! During deer hunting season, he sports a bright orange jacket and a pink tail!!! He doesn't like it but it is SAFE.

CEE Spring Course List is now posted on our website - <https://ceps.unh.edu/civil-environmental-engineering/cee-spring-2021>
