MESSAGE FROM CEE

It's hard to believe it's the middle of October!

If you haven't had the opportunity to take in the beauty around campus, be sure you do before all those leaves fall. The colors are amazing and will uplift your spirits!

Thank you for being compliant with all the Covid regulations. We know it's not easy for any of us but we will get through it. Together we will Keep Calm and Carry On!

Just a reminder if you need any assistance at all, we are here for you. Your faculty, instructors, and administrative staff are always willing to help.

Have a great week!
CEE

Sat. 10/24-9am-5pm

Dissertation Writing Workshop

Abstract for this seminar has been posted to Announcements in CEE Grad Course on Canvas

A poster for the U.S. Department of Energy Solar Decathlon Design Challenge 2021. The poster is dark blue with white and yellow text. It features a central graphic of a pencil and a lightbulb. The text includes: "U.S. DEPARTMENT OF ENERGY SOLAR DECATHLON DESIGN CHALLENGE 2021", "University of New Hampshire's CEPS Team Environmental + Civil + Mechanical Engineers", "WHAT IS IT? COLLEGIATE INNOVATION", "DESIGN IDEAS: ONSITE ENERGY STORAGE, L.E.D. LIGHTING, PASSIVE SOLAR ENERGY, RAIN GARDENS, ALGAE FARM", "10 CONTESTS", and "DESIGN AN ELEMENTARY SCHOOL". At the bottom, there are logos for the U.S. Department of Energy, UNH Wildcat, and a wind turbine. Contact information for project managers and faculty advisors is also provided.

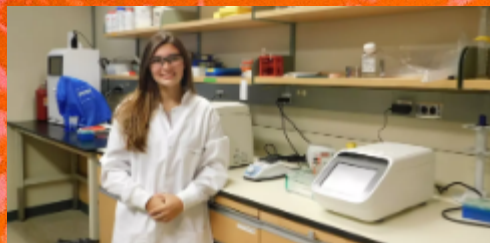

US Dept. of Energy Solar (DOE) Decathlon Design Challenge 2021!
