Now Hiring for UNH Tech Camp!
Nighttime Project Leader Positions

Description: UNH Tech Camp is looking for candidates with excellent leadership, collaboration, and communication skills to be Nighttime Project Leaders at Tech Camp 2022. Tech Camp is a summer STEM immersive program for grades 5-12 sponsored by the College of Engineering and Physical Sciences at UNH. Nighttime Project Leaders will be responsible for developing and leading high-quality activities with campers. Activities should be social in nature and provide opportunities for campers to learn more about STEM fields, as well as interpersonal skills. Resources to develop curriculum will be provided and Project Leaders will work with the Residential Life Coordinator who oversees the dorm to develop a schedule of activities. The responsibilities of this role also include supervising the residential campers, residing with the campers in the dormitory, and accompanying campers to both breakfast and dinner in the dining hall.

Details
Dates: July 10-29, 2022 – Applicants should indicate desire to work during weeks 1, 2, 3, or ALL weeks of camp
Hours: Sunday night arrival active from 3pm-10pm; M-Th from 4pm-10pm active time with campers; on call during sleeping hours; M-F active morning time from 6:30am to 8:30am; additional time prior to camp as needed to develop curricula

Qualifications
- Enthusiasm for STEM disciplines
- Enthusiasm for working with 5th-12th grade students
- Excellent interpersonal, organizational, and verbal and written communication skills
- Attention to detail and the ability to multi-task and learn on-the-job
- Must be a proactive self-starter with interest in developing high-quality, engaging activities for youth
- Reliability and flexibility in the event scheduling changes occur
- Ability to react calmly and effectively in emergency situations
- Ability to independently travel between various locations on campus
- Academic background in STEM related disciplines
- Prior experience working with 5th-12th grade students (not required, but preferred)

Salary and perks
$1,000 per week – all meals at dining hall included – campus housing for the duration of employment
